PROFILE

I am a versatile software developer specializing in both web and mobile app development. I build modern, responsive applications and have hands on experience across the full stack. I'm passionate about technology, innovation, and creating clean, user focused solutions. I'm highly motivated, collaborative, and always excited to learn and take on new challenges.

PROFESSIONAL EXPERIENCE

03/2023 – 11/2025
Lagos, Nigeria

Mobile App Developer
Flutterwave
I design, build, and maintain mobile applications that power Flutterwave's payment solutions. I collaborate closely with product managers, designers, and backend engineers to deliver secure, high-performance mobile experiences.
My role involves integrating APIs, improving app reliability and performance, fixing bugs, and implementing new features that enable seamless digital payments for businesses and users across multiple markets.
Key Achievements:
- Collaborated with teams to deliver secure, high-performance experiencesk

09/2021 – 11/2022
Enugu, Nigeria

Mobile App Development Intern
SkySkillHub
Developed cross platform mobile applications using Flutter and React Native.
Integrated REST APis to enable real time data handling within the app.
Participated in testing, identifying bugs, and preparing builds for deployment.
Implemented navigation, state management, and reusable widgets/components.
Used Git/GitHub for version control and team collaboration.

01/2019 – 08/2021
Enugu, Nigeria

Web Development Intern
SkySkillHub
Design and developed responsive websites, using Html, Css, and JavaScript.
Built mobile friendly layouts using Flexbox, Grid, and modern front end practices.
Collaborated with designers to translate UI/UX wireframes into functional webpages.
Used Chrome DevTools to debug and troubleshoot front end issues.
Managed code versions and collaborated through Git/GitHub.

EDUCATION

02/2019 – 01/2022
Enugu, Nigeria

Higher National Diploma (HND)
Institute of Management & Technology
